

# THE 2013 FLORIDA ISSUES CHECKLIST

## FROM THE EDITORS

David Weda, Publisher   Robert Mathis, Editor

**The Annual List.** First issue of the year means the list of issues from the previous year. Three pages of fine print, with what we know or have been told have come out in 2013.

**Consolidation and mergers.** The BSA has a plan to get down to below 250 councils. The two Florida councils in danger of being forced to merge (Suwannee River Area and West Central Florida) appear to be safe for another year. North of the Florida-Georgia line, two of the five Georgia councils that used to be in Section S-4 (Alapaha in Valdosta, Southwest Georgia in Albany) merged last year to become South Georgia, based in Valdosta. Now two more are merging (Coastal Empire in Savannah, Okefenokee Area in Waycross), to become "Coastal Georgia Council" (the suggested new name), to be based in Savannah.

**2014 Section Conference, and Goodman's gravestone.** Echocotee Lodge 200 is hosting the 2014 Section S-4 Conference, at Camp Shands. On the Trading Post order form, the lodge is offering an opportunity for organized trips 30 miles away to visit the gravestone of E. Urner Goodman, the founder of the Order of the Arrow. Cost of this trip (to take place on Saturday morning, during the Conference's training program) is \$15. Our

advice? Save your money, visit on your own, before or after the conference, in a respectful, dignified manner. The gravestone for he and his wife is located at the Penney Retirement Community Cemetery, located on State Road 16 in Penney Farms (between Starke and Green Cove Springs).

BIG THANKS to those that helped contribute to this issue: Joe Gonzalez, Howard Gross, Rick Obermeyer, Ken Knaebel, Mark Kidd, Dean Kubler, Gary Johnson, and Mike Daly.

# NEW ISSUES

+ In the last four months, production has been almost at a standstill. Thank goodness, there is always **O-Shot-Caw 265**, who has issues “at least” two new flaps. The lodge created a special flap for the Lodge Leadership Development event (**F-38**; not pictured), and seven “prototypes” with a SMY border. They have also released a new “regular issue” flap (**S-148**). And also the annual Lodge Leadership Committee flap issued in December (**S-149**); 200 made.

+ For being the host lodge of the 2013 Section Seminars, **Timuquan 340** created a host flap (**S-64**); 300 made.

+ **Tipisa 326** was named the Best All Around Lodge for 2013. Along with the previously-shown celebratory flap, there is also a CSP, issued with Central Florida Council (**X-27**). These were made with a RED border; another 15 CSPs were made with a RED mylar border (X-28).

+ Two chapters from Tipisa have issued a patch together: **Kikape (X-6)** and **Nefketeh (X-2)**. **Mato Tanka** Chapter had two patches for their district’s 2013 Fall Camporee (attendee, staff).

+ **Seminole 85’s Allouchsit Chapter** has its own patch, for the 2014 Ordeal.

+ **Echockotee 200’s Elemukulek Chapter** ran their district’s 2014 Camporee, and created a pair of patches with the chapter’s name (attendee, staff).

+ **North Florida Council** has two new CSPs for 2014, for their FO\$ campaign: full color for contributors, and an all-black monochrome for program presenters. The council finished 2013 with two CSPs for their WinterBlast long-term camping at the end of December. In 2013, there were also new CSPs for their NYLT program at Summer Camp, and a 2013 Wood Badge Scholarship program.

## notes & asides

> Activity patch theme for **Aal-Pa-Tah 237** for 2014 is “Comic Book Superheros”, depicting the lodge gator totem as a comic book character. Six weekend patches, plus a year patch with all six designs, put together.

> The 2014 theme for **Echockotee 200’s**

activity patches is “Ceremonial Characters”, with depictions on each of the four weekend patches. No decision on a year patch.

> For **Seminole 85**, their 2014 activity patches are depictions of tourist landmarks within their geographical area. No year patch to be made.

> **Osceola 564’s** theme for their 2014 activity patches is “Rock Concert”, with depictions of guitars and other instruments for each weekend event, put together in a puzzle set.

> The 2013-2014 series for **O-Shot-Caw 265** is depicting “State of Florida Flora and Fauna” (designated official state plants and animals).

> On February 6, a mixed lot that contained an early merit badge sash, with 1920s era rank badges (Tenderfoot through Eagle) and a previously-unknown Eagle Scout medal with a “drop” ribbon, sold for over \$12,200. Still quite a bit of speculation as to the authenticity of the Eagle medal and its components (ribbon, pendant).

> Section S-4 had planned on having another “Four Corps” service project in the Ocala National Forest this summer. This has now been put off until 2016.

> Another Trade-O-Ree is planned for Florida, this time for the first weekend in October, in the Largo area. The promotional flier is included in this issue.

> As seen on eBay:

- Central Florida Council 1945 “Negro Camp” patch: \$1035.

- 1964 Area 6-E Conference neckerchief: \$73.99

- Semialachee Lodge 239 P-1 (not on cloth; mint): \$650.

- 326-R-2 (used): \$600

- PINELLAS AREA KRS shoulder patch: \$330.

- “Ross Allen” Encampment mug: \$26.25.

- Camp Orchard Pond (Suwannee River Area Council) patch: \$162.50.

- North Florida Council CSP “Camp Shands Staff”; five flags: \$41.40.

- Baluga Lodge 538 neckerchief: \$3,700.

- “1920’s Merit Badge Sash~Type 1 Tenderfoot~Eagle Scout Patch~Eagle

Medal~Hat Pin": \$12,298

## THE RUMOR MILL

\* As of February 15, still no word as to what will be created for host items for the upcoming 2014 Section S-4 Conference, hosted by **Echokotee 200**.

\* **Gulf Stream Council** will be marking its 100th anniversary this year with the creation of "something", most likely just a CSP. So we have been told.

\* **O-Shot-Caw 265** will be creating "service corps" items for its members working non-lodge events in 2014, specifically the South Florida Council Scoutmaster Camporee and the Coconut Grove Arts Festival.

## MERGER MANIA 2014

> West Central Florida Council appears to survive for another year, as most of the goals have been met, and another provisional charter has been issued for 2014.

> Suwannee River Area Council Is reported to have met all of their mandated goals except one (membership). Charter review is to take place in March.

> Just to the north, Okefenokee Area Council (Brunswick) and Coastal Empire Council (Savannah) have been in discussions since late December 2013, for a possible merger, into an expanded "Coastal Georgia Council". The merger is reported to be official on March 1, with Pilthlako Lodge 229 merging at the end of 2014.

> Perhaps this is jumping ahead, but the recent mergers in Georgia,, does lead to some observations. Pilthlako 229 and Withlacoochee Lodge (formed from the merger of Alapaha 545 and Immokalee 353) are in Section S-8, along with most of Georgia and eastern-central Alabama (11 lodges). Tomo Ci-chi Lodge 119 in Savannah is in Section S-5, with much of South Carolina, western North Carolina, and northeast Georgia. (11 lodges) Is it time for a realignment of the sections in the Southern Region in a few years?
