

The Patches of Camp La-No'-Che 1950 – 2005

Appendix

It comes as no surprise that new patches have been identified since the completion of the book. Rather than revise the book, I decided to use an appendix to provide information for the period 1950 – 2005 and supplements for additional years.

These generic neckerchief patches were used at Camp La-No'-Che

The following additional patches have been found
